SELECTED ORGANIZATION:

Amalya Reach Resort Pvt Ltd

DESCRIPTION OF THE SELECTED BUSINESS

Amalya Reach was born, named after the Sinhalese word "Amalya," which translates to "blossom," symbolizing the blossoming of experiences that await guests. Amalya Reach Resort Pvt Ltd, situated in Homagama, is renowned as a prominent hospitality establishment. Founded in 2009 by Mr. K.C Koralage, the esteemed General Director of the Company, the resort initially operated as a restaurant with a pool facility. Over time, it has evolved to offer an array of amenities, including three wedding halls, a family restaurant, AC and Non-AC rooms, a pool, and a tranquil open area. With a team of over 30 dedicated employees, comprising both managerial and non-managerial staff, Amalya Reach Resort continues to provide a distinguished guest experience. This resort hopes to provide the place where guests can escape the stresses of modern life and reconnect with nature while indulging in the warm hospitality with the deep commitment to preserving the environment and uplifting the local community.

SELECTED BUSINESS PROCESSES

- **Employee Payroll Payment Process**

  Employee payroll payments are done by the one managerial officer by the manually in the organization. On point of that we are hoping to suggest the payroll payment system as in the To Be system.

- **Ordering Process**

  In the ordering process, they have a takeaway and dining area as well. Through the analyzing project, we hope to minimize the unnecessary effort of the process and suggest an effective and efficient system for the process.

- **Reservation Management Process**

  In reservation management, the resort has the hall reservation and the room reservation. In current both processes are booking and managing manually. Through the to-be process, we suggest a system to manage the reservations.
